Single lattice, upper & lower

Entwined lattice bordered by 3 rows of 3-rod weld

Twisting tendril

The 6 narrow rows of weaving can be a different color than the center wide row

Wide row, thin row with 3 dyed rows

The dyed reeds can be either wide (as pictured) or narrow and there can be as many dyed rows as you'd like to have

Hearth rows

These work best with the rolled border, woven border, or the 3-rod beaded border shown here

More Weaving Patterns

Partial Chevron pattern

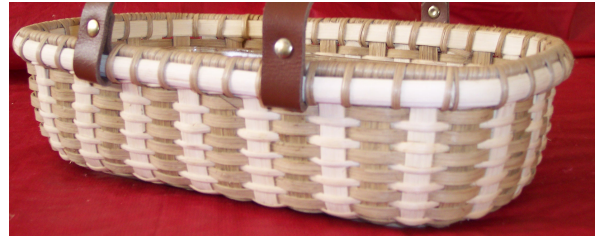

Full Chevron pattern means there are no panels on the basket without chevrons.

Chevron patterns add about \$25 to the cost of the basket.

Double dyed stakes

Alternating color pattern

Texture patterns

Using natural reed only, you create a texture pattern using flat and flat oval weavers of different widths.

Cross stitch row

Cross stitch dyed row
