ANY FRACTION OF A POUND OVER THE WEIGHT SHOWN TAKES THE NEXT HIGHER RATE.

You may phone-in your order or mail your order to our address. Most orders are sent by UPS, so please include your street address. You may include payment with your order, or request 30-day credit. When estimating shipping cost, add 1, 2, or 3 extra pounds to cover the weight of the shipping box and packing. These UPS shipping charges are only approximations; your actual charge for shipping and handling will vary with your location, changing UPS fuel surcharges, UPS insurance, and other variables.

Late payments will be charged the greater of \$2.00 or 2%.
