

# Ribbed Weaving Patterns

Natural Godseye, but the weaving starts with a dyed weaver and goes on for about 20 rows.

Godseye & the first 20 or so rows of weaving are with dyed reed.

Godseye & first 5 rows are done with a dyed or smoked weaver. then around 7 or 9 rows of natural, then 5 more rows of dyed.

Colored accent is out of round reed and you have 1 wide band woven near the Godseye.

Colored accent is out of round reed and you have two small bands a distance from each other.
